**3. High jump.**

**The maximum score is 100 points**

Height: 1.2 m-40 points

Height: 1.5 m-50 points

Height 1.8 m-80 points

Height 2.0 m-100 points.

There is no retry. Mechanical loading is not permitted. If, however, was mechanical impact-jump is not counted and repeat the jump is not permitted.

#### **4. the sample of their stuff.**

**The maximum score is 100 points**

The maximum search time is 1 minute. Three attempts are allowed. /but for 1 minute/

Party with a dog at the start. Leaves the dog on line and coming to the judges: takes the subject keeps him in the hands/10 sec/, then Assistant judge puts tweezers that subject in a square with many identical items. Party with a dog at this point stand with your back to a specified square. One minute to start the search. is looking for on the order of Dog smell owner . Permitted commands: (prior to entering a dog in square): Search, Nûhaj, to me, One.

-When the dog squared commands is prohibited.

#### **Fines:**

-For each retry-25 points;

/When the dog came out from the square and repeat taking the dog to the participant search/but time overall 1 min,

Dog found his subject, but does not make a square is not counted;

Dog found his subject, made from square, but not carried to owner-25 points.

The participant must take the subject without doing step/two feet together/

#### **5. protection of the owner, the detention of two attackers.**

**The maximum score is 100 points**

#### **Checked:**

-Evader,

-Host Protection

-Cessation of fighting teammates

-Exposure during a search

-Protection of offenders without instructor

Participant at the start throws a dog. By the field judge's signal towards the start line at a certain distance from each other move violators No. 1 and no. 2. Dobežav to a certain line, stop violators, shoot in the direction of the party with a dog on one shot. Party puts the dog on the detention of one of them (any). At the time when the dog performs acumen, violator produces two shots up. The dog should not be frightened. After two rounds the infringer ceases fighting dog: falls, falls face to the ground and not moving.

At this time the violator # 2 (which stood motionless all this time) shoots twice and runs the party. The dog should switch to violator # 2 and the attack on the party. Party gives any commands at this point.

When a dog grabs the second intruder intruder falls/falls/facing towards the ground and stops the fight.

Only after that party has the right to withdraw dog voice/voice-command 3 moniker, Fu, me/in any sequence/and if the dog does not comply, then remove it mechanically.

Then party and become violators in its place (marked with circles of chalk or highlights check boxes), and party produces search violators.

**Search be carried out:** Violators will stand with his hands raised, party with the dog is in front of them at a distance of 3-5 meters, leaving the dog on the ground, and bypasses the violators and searches them from the back, descends to the shoe, then climbs up to the raised hands, selects pistols, command places the right violators face to the ground, leaving the dog to protect team/Guard/and quickly slow jogging or accelerated step brings the gun to the judge submits the weapon and hiding behind the shelter for 10 sec. After 10 sec at the direction of the linesmen intruder slowly rises and runs away. The dog should instantly priseč' traffic violator.

If the dog does not pay attention to wrongdoing or evader generally went to the side, where the Party took refuge, the participant teams helps delay the evader itself runs for dog, takes her after grasps any method and to resolve the judges leaves the field.

#### **Fines:**

-Lack of grasp, fear of the infringer is removed;

-Fear of shots-50 points;

-Mechanical impact during decommissioning violator # -2-10 ball;

-Weak grip, weak job-20 points;

-Suspension of the grip (also during the shot, releases)-20 ball;

-Not switched to the second infringer is generally not protected to

Nick within 10 sec since bout violator with the owner-25 b;

Violator struggling with party and dog within 10 sec still helped party-10 points;

-Dog disturbs a search missing offenders-5 points for each attempt (3 attempts to search only);

-Dog gives to search after the third attempt-25 points;

-The dog leaves the violators and flees for the party: If you absolutely not paying attention to the challenge of the infringer is 25 points; If all same unfolds and catching the intruder-15 points;

/party has no right to apply FAS/command

-Dog protects violators, but still allowed to stand on legs at least one offender; but after the delay,

(don't mind the dog)-15 points;

Note: Dog can keep for collar:

-the starting line

-at the last stage of the Suppression of the offending parties escape

Ku is allowed to remove dog mechanical impact

(not fine) and no longer let it off the leash
